Subject: FBIR Compressor Station Synthetic Minor Permit Application - Van Hook Gathering Services, LLC

Hi Claudia,

Thank you for taking the time to meet with Eric and I this afternoon to allow us to walk you through the synthetic minor permit application we submitted for Van Hook Gathering Services, LLC's proposed FBIR Compressor Station. Attached is an electronic copy of the application. As we discussed today, we are hoping for a final permit issuance no later than October 1st to accommodate construction commencement prior to Winter. Note that I will be sending a copy to the Three Affiliated Tribes Environmental Division in a separate email. If you have any questions, please feel free to email me or call at 303-382-5472.

Thanks,

Wes
